

ePin Retrieval for Use with your FSA/HRA Debit Card

On April 1, 2013, debit cards will be PIN enabled. If you wish to use a PIN number when authorizing debit card purchases at the Point of Sale (POS) you can view your pin at:

www.mywealtcareonline.com/getmypin

Step 1:

You will be required to register if you are a new user. You will need your Employee ID which is your Member ID (3 alpha characters followed by 6 numbers) and your debit card number. Your member ID is located on our website at www.significabenefits.com on the secure member pages (registration required). Member IDs are also located on your Explanation of Benefits (EOBs) or you can contact SBS.

Step 2:

Your pin number will be displayed. This number cannot be customized. If you lose your card, you should immediately report the card lost/stolen. A new card will be issued and you will need to retrieve a new PIN number. SBS employees do not have access to your card numbers or PIN numbers.

Please contact us if you have questions at 800-433-3746 or customerservice@significabenefits.com.
