

To Our Valued Employer Clients

As you are aware, Significa launched a new secure employer website at the end of September. Unfortunately, we had to delay the release of the online enrollment feature. We hope to have that option available in early 2019. In the interim, please note the following:

- You may continue to utilize our legacy website to process online enrollments such as new hires, terminations or changes by clicking [here](#) or
- You can submit enrollment requests via email to poladmin@significabenefits.com and we will process those requests on your behalf.
- If you have questions about your eligibility information, you can review coverage information on the new website www.significabenefits.com or feel free to contact us with questions.

We thank you for placing your benefit administration with Significa Benefit Services. If you need assistance, please do not hesitate to contact us.
